Independent Auditor's Report

To the Board of Directors

Horizons Greater Washington Inc

Opinion

We have audited the accompanying financial statements of **Horizons Greater Washington Inc** (a nonprofit organization) which comprise the statements of financial position as of September 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Horizons Greater Washington Inc** as of September 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Horizons Greater Washington Inc** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Horizons Greater Washington Inc**'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Horizons Greater Washington Inc's internal control. Accordingly,
 no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the
 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Horizons Greater Washington Inc's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements September 30, 2022 and 2021

1. Organization

Horizons Greater Washington Inc (the Organization or Horizons) is an out-of-school time academic and enrichment program serving K-8 students in families from underserved communities in Washington, DC and Montgomery County, MD. Horizons' mission is to advance educational equity by building long-term partnerships with students, families, communities, and schools to create experiences outside of school that inspire the joy of learning. To accomplish this, Horizons offers an intensive summer program and school year programming that build critical skills in reading, math, swimming, and social and emotional development to prepare its students for successful school years and transitions. The project-based STEAM curriculum focuses on the whole child while allowing veteran and new professional teachers to hone their craft with the Organization. Horizons makes a long-term commitment to each student as young people enter the summer program as rising first graders and return each summer until they begin high school. Throughout the nine years a child is in the program, Horizons partners with its families and removes the physical barriers to learning by absorbing the full cost of each student and providing transportation, supplies, and meals.

Horizons Greater Washington Inc is an affiliate of Horizons National, a 501(c)(3) organization that oversees a network of 75 Horizons programs in 20 states and the District of Columbia. Horizons Greater Washington serves the DC area exclusively and operates independently of Horizons National - raising its own resources and managing its own programs - but benefits from the exchange of information and support across a national network. Horizons began in 2000 with one program location in Washington, DC. A second DC program location opened in 2009, and in 2010, expansion led the Organization to open a third location in Montgomery County, MD. In 2022, the hallmark summer program served 391 students and in 2023 will aim to serve 435 K-8 students across the three program sites.

High-quality instruction, hands-on experiential learning, and individualized support from skilled professional teachers are the pillars of the Horizons model. To ensure its approach is student centered, holistic, and inclusive, Horizons Greater Washington's programming adheres to the Weikart Center's pyramid of program quality. The pyramid's steps - creating safe, supportive, interactive, and engaging learning environments - inform all instructional, programmatic, and site-specific decisions and goals. In alignment with the pyramid of program quality, Horizons fosters joyful and engaging environments full of academic, artistic, and athletic activities that inspire young minds. As a result, students experience gains in math, reading, writing, and swim proficiency in small class sizes. Through pre- and post-program stakeholder surveys, the Organization works to ensure its students' voices and the voices of their caregivers drive program design and improvements. Horizons believes that every child should have access to opportunities that help them thrive.

2. Summary of significant accounting policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported in two categories as described below.

Net assets without donor restrictions are net assets available for use in general operations and not subject to donor restrictions.

Notes to Financial Statements September 30, 2022 and 2021

Net assets with donor restrictions are net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

Horizons maintains its cash in various bank accounts which, at times, may exceed federally insured limits. FDIC insurance on interest-bearing accounts is \$250,000 per depositor, per insured bank.

At September 30, 2022 and 2021, Horizons' cash did not exceed the FDIC limit. Horizons has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Contributions receivable

Contributions receivable are comprised of pledges and grants receivable which are measured at net realizable value. Grants receivable and unconditional promises to give are recognized as revenue in the period promised. Conditional promises to give include both a measurable performance or other barrier and a right of return, and they are recognized when the conditions on which they depend are substantially met.

Balances are stated at the amount management expects to collect from outstanding balances within one year. Management provides for probably uncertain amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on historical experience, an assessment of economic conditions, and a review of subsequent collections as deemed necessary. All contributions are considered collectible on September 31, 2022, no allowance has been recorded.

Investments held by third-party trustee

Investments of Horizons are held by a third-party trustee, The Greater Washington Community Foundation (the Foundation). Under this agency fund agreement, Horizons has a non-endowed fund managed by the Foundation under the investment policies and investment direction of the Foundation. Horizons has an interest in the pooled investment funds maintained by the Foundation in the "Combined Investment Fund" (CIF). Distributions from the fund are available quarterly with prior written notice provided via email or letter by one of the assigned fund advisors as outlined in the agency fund agreement. Horizons pays an administrative fee to the Foundation of 1.1 percent for the accounting and reporting services, which are deducted from the investment assets in quarterly payments.

Property and equipment

Horizons capitalizes all property and equipment with a useful life of more than one year and an acquisition value of over \$5,000. Property and equipment are stated at cost and depreciated using the straight-line method over the estimated useful lives of the property or equipment. As of September 30, 2022 and 2021, there were no purchases of property and equipment meeting the capitalization threshold and therefore no property and equipment or depreciation reported.

Notes to Financial Statements September 30, 2022 and 2021

Other financial assets and liabilities

Financial assets with carrying values approximating fair value include cash and cash equivalents, contributions receivables, and prepaid expenses. Financial liabilities with carrying values approximating fair value include accounts payable and other accrued expenses and accrued payroll costs. The carrying value of these financial assets and liabilities approximates fair value due to their short maturities and any associated interest rates approximate current market rates.

Support and revenue recognition

Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Organization reports gifts of cash and other assets as restricted support, if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Sources of revenue from contracts with customers include an exchange element of tickets purchased for special events, application fees and other income. All remaining sources of support and revenue are contributions. Special events revenue consists of donations collected during special events and also registrations for events that are recognized at the point in time the event takes place. Amounts received in advance of the program or event are included in deferred revenue. During the year ended September 30, 2021, application fees revenue consisted of application fees to sign up for the summer program and were recognized at the point in time the application fee was received. As of the year ended September 30, 2022, and going forward, application fees are no longer collected. The majority of other income is made up of a contract with Urban Teachers DC for the Organization to hire Summer Fellows Employees during the defined term in exchange for a fee. This income is recognized over the term of the contract.

Donated materials, services and rents

Horizons receives in-kind contributions of time and pro bono services from members of the community related to program operations, special events and fund-raising. Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by Horizons. Horizons recognizes in-kind contribution revenue and a corresponding expense in an amount approximating the estimated or readily available fair value at the time of the donation. Donated legal services included in management and general are valued at the standard hourly rates charged for those services.

Horizons also receives in-kind contributions of materials and facilities (rent). Donated space is valued at the fair value of the rental rates to other entities looking to rent the space. Donated goods are valued at the wholesale prices that would be received for selling similar products or for the pricing available to those members of the community that purchased those items.

Functional classification of expenses

The costs of program and supporting services have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Expenses are charged to programs and supporting services based on a combination of specific identification and allocation by management. Certain categories of expenses are attributed to more than one function and have been allocated on a reasonable basis that is consistently applied. Allocated expenses include salaries and wages, payroll taxes and employee benefits.

Notes to Financial Statements September 30, 2022 and 2021

Fair value measurements

Accounting standards require companies to determine fair value based on the price that would be received to sell the asset or paid to transfer the liability to a market participant. A three-level hierarchy for disclosure of fair value measurements is based on the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels of the fair value hierarchy are defined as follows:

Level 1 – inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 – inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Income taxes

Horizons Greater Washington Inc is exempt from federal income tax as a nonprofit organization described in Section 501(c)(3) of the Internal Revenue Code and is classified as an organization other than a private foundation. Horizons did not have a liability for unrelated business income taxes for the years ended September 30, 2022 and 2021.

The material jurisdictions subject to potential examination by taxing authorities include the U.S. and the District of Columbia. Management does not believe that the ultimate outcome of any future examinations of open tax years will have a material impact on the Organization's results of operations. Tax years that are subject to examination by the IRS include the fiscal years ended September 30, 2019 through 2022.

Recently adopted accounting pronouncements

The FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which requires not-for-profits (NFPs) to presented contributed nonfinancial assets as a separate line item in the statement of activities and provide additional disclosures about contributions of nonfinancial assets. Contributed nonfinancial assets, commonly referred to as gifts-in-kind, include fixed assets (such as land, buildings, and equipment), use of fixed assets or utilities, materials and supplies, intangible assets, services and unconditional promises of those assets. The ASU is effective for annual periods beginning after June 15, 2021, with a retroactive application. The Organization adopted the standard on July 1, 2021, with no impact on net assets. Additional disclosures have been provided as appropriate under the new standard.

Upcoming accounting pronouncements

The FASB has issued ASU 2016-02, which requires lessees to recognize on the balance sheet the assets and liabilities for the rights and obligations created by leases with terms greater than 12 months. ASU 2016-02 is effective for annual reporting periods beginning after December 15, 2021. The Organization plans to adopt the standard on its effective date, which for the Organization is October 1, 2022. The Organization is evaluating the impact of this statement.

Notes to Financial Statements September 30, 2022 and 2021

The Financial Accounting Standards Board (FASB) has issued Accounting Standards Update (ASU) 2016-13 which adopts the current expected credit loss (CECL) model. The CECL model requires a financial asset or a group of financial assets (including trade receivables, contract assets, lease receivables, financial guarantees, loans and loan commitments, and held-to-maturity debt securities) measured at amortized cost basis to be presented at the net amount expected to be collected. The income statement will reflect the measurement of credit losses for newly recognized financial assets, as well as the increases or decreases of expected credit losses that have taken place during the period. ASU 2016-13 is effective for annual reporting periods beginning after December 15, 2022 and the Organization plans to adopt this standard on its effective date, October 1, 2023. Management is assessing the impact that the standard will have on the financial statements.

3. Investments and fair value measurements

Level 1 investments consists of amounts held in a bank deposit program with a national broker. The carrying amount is considered to be a reasonable estimate of fair value.

Level 3 consists of investments held by a third-party trustee, The Greater Washington Community Foundation (the Foundation), based on the fair market value which is generally reported net asset values as obtained from the trustee on a quarterly basis. Underlying securities are comprised of both readily marketable securities and funds as well as hard-to-value securities. This method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Horizons believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The following table presents the investment assets within the hierarchy measured at fair value on a recurring basis as of September 30, 2022:

| | | Level 1 | Level 2 | Level 3 | Total |
|---|----|---------|-------------|---------------|---------------|
| Investments held by third-party trustee | e: | | | | |
| Money market fund | \$ | - | \$ - | \$ 16,567 | \$ 16,567 |
| Combined investment fund | | - | - | 149,110 | 149,110 |
| Investments directly held: | | | | | |
| Cash and money market accounts | | 262,691 | - | - | 262,691 |
| Total assets at fair value | \$ | 262,691 | \$ - | \$ 165,677 | \$ 428,368 |

The following table presents the investment assets within the hierarchy measured at fair value on a recurring basis as of September 30, 2021:

| | | Level 1 | Level 2 | Level 3 | Total |
|---|------------|---------|-------------|---------------|---------------|
| Investments held by third-party trustee | e : | | | | |
| Money market fund | \$ | - | \$ - | \$ 17,994 | \$ 17,994 |
| Combined investment fund Investments directly held: | | - | - | 161,949 | 161,949 |
| Cash and money market accounts | | 250,923 | - | - | 250,923 |
| Total assets at fair value | \$ | 250,923 | \$ - | \$ 179,943 | \$ 430,866 |

Notes to Financial Statements September 30, 2022 and 2021

Investment return was composed of the following for the years ending September 30:

| | 2022 | 2021 |
|--|----------------|--------------|
| Dividend and interest income | \$ 19,750 | \$ 2,925 |
| Interest income | 36 | 28 |
| Realized and unrealized gains (losses) | (33,277) | 25,040 |
| Investment management fees | (1,208) | (1,360) |
| | \$ (14,699) | \$ 26,633 |

The table below represents a reconciliation for all Level 3 investment assets measured at fair value on a recurring basis for the years ending:

| Balance, October 1, 2020 | \$ 152,914 |
|--|---------------|
| Dividend and interest income | 2,925 |
| Realized and unrealized gains (losses) | 24,989 |
| Investment management fees | (885) |
| Balance, September 30, 2021 | \$ 179,943 |
| Dividend and interest income | 19,750 |
| Realized and unrealized gains (losses) | (33, 108) |
| Investment management fees | (908) |
| Balance, September 30, 2022 | \$ 165,677 |

The investments held by the third-party trustee are valued based on the net asset value of the fund and are available for quarterly redemption or distributions with the prior written request of Horizons.

4. Net assets with donor restrictions

Net assets with donor restrictions consisted of the following at September 30, 2022 and 2021:

| | September 30, 2021 Additions | | September 30, 2022 | |
|--|------------------------------|------------|----------------------------------|-----------------------|
| Time restricted contributions receivable | \$ 25,097 | \$ 970,440 | \$ (427,597) | \$ 567,940 |
| | September 30, 2020 | Additions | Releases from restrictions | September 30, 2021 |
| Time restricted contributions receivable | \$ 127,123 | \$ 110,000 | \$ (212,026) | \$ 25,097 |

These net assets have been classified as donor-restricted based on the inherent time restrictions on the receipt of the contributions. There were no purpose-restrictions associated with these gifts.

Notes to Financial Statements September 30, 2022 and 2021

5. Revenue from contracts with customers

Revenue with performance obligations satisfied at a point in time includes exchange element of tickets purchased for special events, application fees and other income. These revenues are disaggregated as follows for the years ending September 30:

| | | 2022 | | 2021 | |
|--|----|---------|----|--------|--|
| Revenue recognized at a point in time: | ' | | | _ | |
| Exchange portion of special events | \$ | 427,179 | \$ | 2,368 | |
| Application fees | | - | | 3,840 | |
| Revenue recognized over-time: | | | | | |
| Other income | | 10,851 | | 36,696 | |
| | \$ | 438,030 | \$ | 42,904 | |

There were no related contract assets or liabilities as of September 30, 2022 and 2021.

6. Contributions receivable

Contributions receivable are collectible over a one-to three-year period and have been discounted using 4.27 percent rate to record the resent value of future receipts at September 30, 2022 and 2021. The discount rate utilized is the two-year U.S. Treasury rate at years end, September 30, 2022 and 2021, used to discount receivables due in one-to five-years.

The summary of contributions receivable, including pledges and grants receivable, as of September 30, 2022 and 2021 were as follows:

| | 2022 | | 2021 | |
|------------------------|------|----------|------|--------|
| Contributions due in | | | | |
| Less than one year | \$ | 570,413 | \$ | 60,179 |
| One to five years | | 242,500 | | - |
| | | 812,913 | | 60,179 |
| Present value discount | | (19,494) | | - |
| | \$ | 793,419 | \$ | 60,179 |
| | | | | |

Adjustments in the discount on grants receivable during the year were recorded as a reduction in contributions totaling \$19,494 for the year ended September 30, 2022. There was no such adjustment for the year ended September 30, 2021.

7. Donated materials, services and rents

Horizons received various in-kind donations of materials, services, and rents. These donations included: free legal consultation, advertising, use of facilities (rent), transportation for program participants, and donated goods to support the program.

Notes to Financial Statements September 30, 2022 and 2021

Horizons has executed memorandums of understanding (MOUs) with three host schools: Maret School, Norwood School, and St. Patrick's Episcopal Day School. These MOUs provide access to the facilities that allow Horizons to administer its programs and outline the in-kind nature of use of the facilities. For the years ended September 30, 2022 and 2021, all three host schools were able to provide a reasonable estimate of the value of in-kind materials and services based on the rental fees charged to other third party organizations utilizing their facilities. Maret School also serves as the headquarters location for Horizons Greater Washington Inc; however, Maret School was unable to estimate the value of the use of the facilities year-round.

In addition, these MOUs outline certain requirements for Horizons, which include background checks and minimum general liability insurance requirements among other minimum standards. The MOUs also specify that the head of each school serve as an ex-officio member of the Governing Board of Horizons. Termination of the MOUs is required in writing within 60 days of the close of the summer program or with written notice no later than December 31 for the following year's summer program.

These in-kind donations are summarized as follows for the years ending September 30:

| | 2022 | | 2021 | |
|----------------------|------|---------|------|---------|
| Contracted services | \$ | 250 | \$ | 7,480 |
| Food and hospitality | | 6,361 | | 30,782 |
| Legal | | 11,340 | | 25,301 |
| Rent, contributed | | 120,171 | | 86,320 |
| Supplies | | 26,664 | | 430 |
| Transportation | | 26,700 | | 35,000 |
| | \$ | 191,486 | \$ | 185,313 |

8. Retirement plan

Horizons sponsors a defined contribution 401(k) plan covering all full-time employees. Horizons does not make any matching contributions.

9. Related-party transactions

Horizons Greater Washington Inc is an affiliate of Horizons National. As an affiliate, the Organization is required to make certain payments to the National office for expenses such as testing materials and conference fees. Payments to Horizons National totaled \$4,342 and \$2,182 for the years ending September 30, 2022 and 2021, respectively. In turn, Horizons Greater Washington Inc collaborates with and receives grants from the National office, which totaled \$8,599 for the year ended September 30, 2021 however no such grants were received for the year ended September 30, 2022.

Notes to Financial Statements September 30, 2022 and 2021

10. Liquidity and availability of resources

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the statement of financial position, comprise the following:

| | 2022 | | 2021 | |
|--|---------------|----|----------|--|
| Cash and cash equivalents | \$ 251,705 | \$ | 294,100 | |
| Contributions receivable | 793,419 | | 60,179 | |
| Investments | 428,368 | | 430,866 | |
| Time-restricted grants and contributions | (567,940) | | (25,097) | |
| | \$ 905,552 | \$ | 760,048 | |

11. SBA Paycheck Protection Program Ioan

Under the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" funds were appropriated for the SBA Paycheck Protection Program (PPP) loans that are forgivable in certain situations to promote continued employment. The Organization obtained a PPP loan in April 2020 in the amount of \$87,423. The loan was fully forgiven by the SBA on June 14, 2021 and has been recorded in government grants income for the year ended September 30, 2021. The Organization received an additional \$75,800 as part of the first PPP loan. The Organization is uncertain if they qualify for this additional amount but were informed by the SBA in August 2021 that the additional amount was forgiven. SBA notified the Organization during 2022 that they were selected for review. Due to the uncertain outcome, the Organization has not treated the additional \$75,800 as forgiven, but instead retained this amount as a liability as of September 30, 2022.

The organization obtained second PPP loan in March 2021 in the amount of \$146,543 which is reflected as a liability in the statement of financial position as of September 30, 2021. The loan was fully forgiven by the SBA on March 15, 2022.

12. Subsequent events

Horizons Greater Washington Inc assessed events occurring subsequent to September 30, 2022 through February 15, 2023, the date the financial statements were available to be issued, for potential recognition and disclosure in the financial statements. No events have occurred that would require adjustment to or disclosure in the financial statements.
